If you are promoting a new project, a new website, attempting to heighten people's awareness about your group, business or organization or simply trying to get more traffic to your website or increase bookings, this is one of the most popular ways to go. You can buy ad time in every increment from daily to yearly.

Website or Booking Shoutouts -- A great way to promote your website or to announce your booking information on air. You record a simple invitation to visit your website or to contact you for bookings and we will randomly play the invitation throughout the day. This is the most economical way to advertise on Tunes4Him.com.

the Southern Gospel Music Forum, Northeast Gospel Music Website, Juniper Square and others.

Project Highlight Package -- An opportunity for you to get you brand new project some exposure! We will run an extended ad on the project and include a few comments and some clips from the project as well.
