Tunes4Him.com is an Online Southern Gospel Music Radio Station broadcasting 24 hours a day, seven days a week. Our staff strives to bring you the finest listening experience on the web by programming a mixture of current singles, recent releases, classic songs and songs from up and coming artists and regional artists. We also offer our listeners the opportunity to listen to several syndicated and specialty programs like The Gospel Greats with Paul Heil, John's Gospel Music Show with John Mills, NQC Alive with Rodney Baucom and the Southern Gospel Music Forum Radio Program with Scott Evans.

Other features of our station are our special request feature where you can request your favorite songs and even make a dedication! We also offer "buy now" buttons where you can click and purchase the project with the song that you are hearing in our online store, Juniper Square. We also offer an automated playlist where you can see what is playing at all times.

Our goal at Tunes4Him.com is to provide the Gospel Message through testimony and song by way of the Internet. We trust that you will find our station to be a blessing to you and that it will uplift you in your daily walk with Christ.
